We look forward to welcoming two new teachers to the school – Mrs Fiona Lawrence and Mrs Amy Glynane – who will both work in Year 1. The children will keep their class names as they move into their new year group. Miss Begum, however, will be changing to her married name – Mrs Godden.

You will see that we will also be saying goodbye to two of our teachers – Miss Sara Kane and Miss Khadiza Khatun. I am sure that you will join me in wishing them both well in the future and thanking them for their excellent work throughout their time at the school.

On Monday, the children will spend the day with their new teacher, though they should come to school as normal in the morning.

An interview with...

Mrs Nechita

1. What do you like most about working at Queen Eleanor?

I started working at Queen Eleanor in 2012 as a Teaching Assistant. It has been an enjoyable journey! Every day is different, and different is good! I like working with people that are always friendly and caring. I like to learn about different cultures, and there are plenty of opportunities in our school, with children coming from so many different backgrounds. The current Year 6 children were in Reception when I started to work here. I like to be part of the learning journey of young children and seeing them grow, overcoming challenges, becoming independent learners. I like that in our school we are building up dreams and equipping the children with skills to make their dreams come true.

2. How have you enjoyed working with Armstrong this term?

Working with Year 2 was a milestone for me, being my first class as a teacher. It was such a great experience, and I really have enjoyed every minute of it. Seeing the children enjoying their learning, making progress every day, made everything easier. I'm always up for a challenge.

3. What has been the highlight of your year?

Having my first class, it has to be the highlight of my year. I have really enjoyed teaching in year 2, and one of the most rewarding moments for me was the trip to the seaside. Some children had never been to the seaside, and seeing them paddling in the sea, with big smiles on their faces, made me realise again how lucky I am to be a teacher.

4. What are you looking forward to most next year?

I am really excited to start the new school year with my new class. I can't wait to get to know everyone, and to have lots of fun learning new, exciting things together.
