Prefects 2018-2019

Dear parents/carers,

We are delighted to be able to offer year 6 pupils a fantastic opportunity! Applications are now open for the position of prefect at our school. Becoming a prefect enables children to gain vital skills necessary for secondary school and gives them a head start when looking to take roles of responsibility throughout their school career.

Prefects are a key part of our community at Wroughton. In this position, pupils contribute in major ways to the academy. They do this by fulfilling different roles – some of which are outlined below:

- Modelling the mission and values at Wroughton Academies.
- Being excellent role-models to all other children.
- Gathering the voice/views of other children.
- Sharing with senior leaders, the strengths and areas to improve – through the views of children.
- Supporting other children with friendships, making sensible choices.
- Playground monitors and support.
- Contributing at staff meetings and feeding back to the Headteacher.
- Raising concerns on behalf of other children.
- Praising children for their hard-work.
- Action research projects – evaluating various aspects of school.
- Meeting with school visitors and representing school.
- Interviewing – new staff appointments.
- Supporting at break and lunchtimes.
- Learning and book reviews with classroom teachers.

Please return the attached application form to your class teacher by 3pm on Monday 12th November 2018. Interviews will take place the week after.

Yours sincerely

Mr Matthew Laband

Assistant Headteacher
