

21st November 2018

Year 6 Saturday Sessions

Dear parents/carers,

In response to feedback from our pupil's families, we are delighted to offer the opportunity to attend a 'Family Saturday Session'.

Dr Avieson and the year 6 teachers will guide you through the maths strategies your child is expected to be able to confidently use when they reach secondary school. This will ensure that teachers and parents will be able to work closer than ever before – supporting children by using mathematical methods in the same way at school and at home.

The sessions will take place on:

- **Saturday 1st December 2018 10-12am**
- **Saturday 12th January 2018 10-12am**

We look forward to seeing you. Please don't hesitate to contact me should you have any questions.

Yours faithfully

Mr M Laband
Assistant Headteacher

Year 6 Saturday Sessions

To Mr Laband

Childs name Class

This is to confirm that we would like to attend the meeting on:
