SEND update

Dear parent/carer,

As you are aware, we already have a very good provision for children with Special Educational Needs and Disabilities (SEND) at Wroughton Academies, and we continue see strong support for those children.

I wanted to update you regarding our school SENDCo (SEND Coordinator), as the lead responsibility has now changed from Mrs Louise Utting to Mrs Sarah Oxborough. I am sure you will join me in thanking Mrs Utting for all of her hard work in leading SEND over the years and of course, she remains with us in her role as classroom teacher. We also continue to have the great support from Amy Leggett, Cathie Nicholas and Su Sengupta, amongst other professionals.

Mrs Sarah Oxborough has extensive experience as a SENDCo both here at Wroughton and previously. She has completed the National Award for this post and I am very confident in her qualifications, skills, experience and support for staff, children and our parents. In light of this change, Mrs Oxborough feels it would be most useful to gather the view of parents about the strengths and areas to improve. Can I therefore kindly ask, that if your child has a special educational need or disability, please complete the attached form.

May I also take this opportunity to thank you for the continued support over the last half-term. It has been a real success and on behalf of all staff, I hope you have a lovely half-term break next week. We look forward to welcoming you back on Monday 28th October 2019.

Yours faithfully

Dr Craig Avieson
Executive Headteacher
